

“Extreme Weather Days – bushfire readiness”

In the event of a an extreme weather day of a likely bushfire –

- Warnings will be given the night before to all camp leaders to evacuate on the day early in the morning and no one shall return to the camp unless given permission from the camp rangers to do so.
- Permission to go back to the camp will be attained through CFA and local authorities.

The Anglesea Township Response Plan 2015 prepared by the CFA, list the Anglesea Community Centre, McMillian Street, as an official relief assembly area, and the Anglesea riverbank area is listed another area suitable for assembly.
